*These rules are subject to change.

Event Rules:

- There will be two rounds in the event.
- Each team would be given only 1 chance for each of the rounds and the best score will be considered as per the scoring procedure for each round.
- **FIRST ROUND:**
 - Only two members of the team will be allowed to participate in this round.
 - The quiz will be taken in 3 divisions.
 - The first part will be a MCQ- APTITUDE test based on general mathematics and physics with 10 questions to be concluded in 15 min.
 - The second part is a logic-based where the questions/situations will be dictated and the team will have to answer verbally.
 - The third part will be a rapid fire round with expeditious questioning based on general technical questions.
- **SECOND ROUND:**
 - All the members of the team have to participate in this round.
 - This will be a model making round.
 - Each team will be allotted with some amount of virtual money. The team will have to purchase the equipment and build the model with the same.
