

## RAGS TO RICHES

*With sand and water, the world he stitches  
Grant us power, grant our wishes  
Gives you scrap to build your creations  
Start with rags and ends with riches.*

### TASK

- Problem statement to be given on the spot.
- As an example we have the last year's problem:
  - Participants were given paint, poster colours etc.
  - They were required to make something creative out of it and paint a member in their team
  - They were also supposed to give a description of it.

### RULES AND REGULATIONS

- There shall be a maximum of 3 members in a team. Team members may be from different institutions/colleges.
- All the requirements will be provided.
- The time allotted will be 1 hour.
- Each member should have a valid ID card of his/her institute.
- The right spirit of participation is expected from all the participants.
