

EDGE17
THINK. DREAM. LIVE.
7th-9th APRIL

Event Name: -Wizcase

Can you think on your feet?

Managing a factory's issue is not a easy job, you are liable for the decisions you make.

Test your decision making skills with Wizcase.

A WORD OF CAUTION:" Every choice you make will have it's own consequence."

All the relevent information will be provided, solve the issue and impress the judges.

Rules:

- Each team consists of 3- 4 participants.
- You along with your teammates will be given a real-life based problem on the spot of which you have to find out the best possible solution.
- The judges will award you marks based on your performance.
- The team with the most points wins.
